

THE BBC BODY BUILDER

'May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ.

A Note from Jaris~

Are you ready for spring? The freshness of the cool air in the morning, the new blossoms appearing on the trees; it is all so wonderful. We know this beautiful weather is only around for a little while so enjoy it while we can. Soon enough, we will be flirting with the triple digits and wishing we could relive our days in early spring. So in a few months, instead of wishing we had played outside more or driven with the windows down, why not take the time now to go on a walk in the cool of the evening or enjoy the breeze through an open window in the house. It will be gone all too quickly. The opportunity is now!

Ministry is a lot like that. If we wait too long to get involved, before we know it, our opportunity has passed us up. God has given each of us a unique set of gifts that edify the entire body and we need to share them with one other so that we may be encouraged to press on. We have a lot of activities planned for April and the upcoming months, and I would encourage you now to not only plan how you can be involved in the life of BBC, but also how you can bring others into it. Let's not wait, the opportunity is now!
