

May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ.

A Season of New...

April is one of my favorite months of the year. It's a month of beginnings. Baseball begins, cool-weathered days begin to turn warmer, and blossoms come into bloom. Many of us will begin spring cleaning around the house; getting rid of the old in an attempt to de-clutter our accumulated mess. As our attention centers on the newness that accompanies spring, I would challenge you to reflect on the newness that Christ brought to your life.

How has your life changed since He radically transformed your old self into a new creation? How does the freedom in His grace compare to the chains that once bound us in sin? Where would we be apart from Him? Every Easter we are reminded of His victory over death and rejoice in the saving power that brought us back to God and gave us eternal life; the righteous sacrifice for the unrighteous man.

What is our response? We worship Him! We stand in awe in the love that our Abba, Father, has for us, the cleansing blood that took away our sins and made us white as snow. We proclaim His wonderful acts through our actions and words and we live a life as a testimony of His finished work on the cross, telling others about His amazing grace and love.

A few weeks ago we celebrated in the public testimony made by five individuals in their decision to be baptized. We rejoice with them and again were reminded of our own position in Christ; a position that cannot be changed or lost. So as we clean out the messes in our garages and homes, be thankful that our old self is gone, completely and forever and live your life with a sense of purpose, having been renewed in Him.

I have come so that they may have life, and may have it abundantly.
