

May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ. Romans 15:5-6

Wow, what a beautiful spring we have had this year! The cool nights and not-so-hot afternoons, it's been a nice change. I have lived in Texas a little over twenty years and a spring like this one is not very common. It seems we usually skip this season and go straight to our typical hot, blistering summers. I know these days are numbered, so I will enjoy them while they're here.

Burlson Bible Church is undergoing a big season of change. As we close in on finding the new pastor God has prepared for us, we eagerly anticipate what the future holds for us. We realize that changes can sometimes be difficult, but with change comes excitement and we can know for sure that God is in control and is leading us right where He needs us to be.

Our hope and confidence is found in God and nothing else. Where He takes us, we don't always know, but we can rest assured that His plans are perfect and if we are obedient to His leadership and listen to His voice, He will do remarkable things with this body. Continue to pray for the man God has for us. Pray for his family as they prepare for changes in their lives. Pray for one another too, that we will each be available to the Spirit's prompting, so that in all we do, God will be greatly glorified!
