### Running the Race for His Glory!

The 2010 Olympic Games have finally come to a close. Once again, people from all around the world focused their attention on some of the best athletes on the planet, and for a moment, their lives became a part of ours. We celebrated with them in victory and we grieved with them in defeat. Their stories brought us closer to them and though we never met them personally, we share in their hopes.

As I watched them perform I was reminded of the hours of hard work, their commitment of dedication that surpassed all commitments and their huge sacrifice to get to where they are today. Unfortunately, for every athlete, victory was not guaranteed. The smallest mistake could bring their hopes to an end and shatter their dreams.

As believers we are also running a race. A race that also involves sacrifice and commitment and is often met with difficulty. Paul reminds us of this race in Philippians 3:13-14, *But one thing I do: Forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus (NIV).*

Running an easy race was never promised. Obstacles are a part of the course, but we know that it is through His strength that we are able to press on to the end and because of His grace, our victory is secure.

Keep running strong to the very end, it's worth the effort!
