

*May the God who gives endurance and encouragement give you a spirit of unity among yourselves as you follow Christ Jesus, so that with one heart and mouth you may glorify the God and Father of our Lord Jesus Christ. Romans 15:5-6*

Change—it can be exciting and it can be scary, all at the same time. Growing up, my family moved a lot. We had some wonderful opportunities that took us all over the world. When we were moving to a new place I always recall being so excited. We anticipated all the new things we would experience, the places we would go and things we could do. But there was also a fear of making new friends, going to new schools and learning cultures that were not our own. I often wonder what my life would be like had I not had those experiences and if I had to do it all over again, would I do it? Absolutely!

Change can be hard, especially dealing with the unknown, but more often than not, the rich blessings far overshadow the anxieties and fears that reside in our minds.

BBC has been going through an extensive amount of change and this month we are turning a page in the history of our church. As all of you should know, we have a congregational meeting set for this Sunday, October 4th, immediately after the worship service.

The board and the pastor-search committee are joyfully recommending Roger Fankhauser to the body as our new pastor and we will be voting at this meeting. Please make every effort to participate in this decision-making process. We look forward to the future and know that God has some exciting things planned for BBC.
