

-
1. T F The Bible requires that believers give a certain percentage of their income.
 2. T F A person should give only as long as they agree with things going on in the church.
 3. T F 'Tis better to give to special projects than to the general fund.
 4. T F I should expect God to give me financial gain based on my giving, up to 10 times (i.e., we are told to "give to get")
 5. T F I cannot afford to give.
 6. T F Giving is an act of worship.
 7. T F Churches often talk about money simply so they can make me feel guilty and get my money.
 8. T F Believers should give cheerfully and generously.
 9. T F Believers should give because everything they have is a gift from God anyway (i.e., it's not really "my" money).
 10. T F Giving is an expression of love.

Application:
